Hi folks,

Parker Center and CCMP will be going to EFC next week: Tuesday, 3/21, 3pm. I was originally told there wouldn't be public comment, but it looks like they decided to open it up to 5 minutes per **side** for testimony.

While we do not need the turnout of PLUM, we probably want to make sure there's a good handful of folks there to testify and watchdog the process. I'm able to make it - please let me know if you can as well!

Thanks,
Kristin

Hi Kristin,

The next Civic Center Master Plan and Parker Center EIR hearing will be at a special Entertainment and Facilities Committee meeting on March 21st at 3pm. Because there has already been an opportunity for public comment, the committee chair is only giving 5 minutes per side for testimony. Thank you again for your support and I hope you can make it to committee.
